Armstrong Sprinklers & Landscaping has been doing business in Pocatello, Idaho and surrounding areas since 1986. We love what we do and pride ourselves on quality, professional and creative work. There is no job too small or too large for us.

We specialize in all areas of irrigation and landscaping for both commercial and residential projects. Some of our many services include sprinkler irrigation, retaining walls, water features, zeroscaping, and all other areas of landscaping. We enjoy a challenge, if you can dream it, most likely we can create it. We have seen every aspect of the business because we have encountered it for more than 20 years. We guarantee that our work will meet or exceed your expectations.

Please take a look at some of the samples included in this brochure and on our website, and do not hesitate to contact us for a free estimate. We look forward to working with you.

Thank You,

Clayton Armstrong

About Us

Pocatello's premier construction company, Booth Construction LLC, was started in 1955 by expert builder Darrel F. Booth. Booth Construction LLC began with little financing, but with a commitment to old time ethics, and quality craftsmanship. The major focus of the family-run company has always been not only building houses, but building *homes, neighborhoods, strong community relationships, and friendships.*

Kevin and Ryan, two of Darrel's sons, have led the Booth Construction Team since 1993. They have continued building with the same strong ethics and commitment to quality craftsmanship as their father.

Our Quality

Booth Construction LLC specializes in custom family homes of all price ranges and sizes. The same attention to detail and fine quality is a standard in all homes no matter the price or size.

Combined, Kevin and Ryan have over 57 years of construction experience. They specialize in meticulous quality and beautifully detailed elements. They are looking forward to providing an exceptional experience for you as they make your dreams of a new home a reality.
